Please indicate areas you would be willing to provide volunteer assistance. As a member you are not required to volunteer your services, but your assistance is warmly welcomed. If you are unable to volunteer at this time, leave the remaining categories unselected. I'm interested in providing volunteer assistance in the following areas. Training is provided for all of our volunteer positions. For additional information on volunteer positions, contact our volunteer coordinator.

_____ Conducting home visits As part of the adoption approval process we visit the applicant's home to make sure it is suitable.

_____ Processing Applications We call the references and veterinarians of everyone that applies to adopt a Golden from GoldHeart. We need to know that we are placing our dogs in homes where they will receive the love and care they deserve.

_____Evaluating dogs	We evaluate the temperament of every dog before it is accepted into GoldHeart.
_____Staffing Events	We need volunteers at events to hold dogs, answer questions, staff the merchandise table, load/unload merchandise, and do many miscellaneous tasks.
_____Fund Raising	Fund raising is a continuous process. Without funds, we can't help the dogs.
_____Writing & Editing	We publish a quarterly newsletter, and welcome help in producing it. We also update our existing informational pamphlets and create new ones.
_____Transporting Dogs	Dogs often need to be transported to foster homes, to vet appointments, and to events. If you are willing to transport: 1. How far are you willing to drive on a round trip? _____ 2. What type of vehicle do you have? _____ 3. Do you have a crate you can put in your vehicle and use for transport? _____
_____Fostering	As a foster family, you will be providing a temporary home for a Golden Retriever while they wait for their "forever home". All expenses are covered by GoldHeart and the rewards are without bounds. Seeing your foster dog in a wonderful, loving home where they will be cared for the remainder of their life brings untold joy.

If you have additional skills that you think could help our cause, please provide us a brief description in the space below.
